

For tired eyes and blurry eyes

Sante 40 Plus®

Containing five active ingredients for tired eyes

Features

In general, overuse of eyes and aging make eyes susceptible to symptoms such as tired eyes and blurry eyes* and difficult to recover from these symptoms. For easily tiring eyes, eye care supplementing nutrients such as vitamins to eyes is important.

Sante 40 Plus is an eye drop effective for tired eyes and blurry eyes containing five active ingredients including nutrients (vitamins and amino acids) to revitalize eye functions. *For increased eye mucus

Indications

Tired eye, blurry eye (increase in eye mucus, etc.), hyperaemia of conjunctiva, itchy eye, prevention of eye disease (after swimming, after dust and sweat entering eye, etc.), blepharitis (soreness of eyelid), ophthalmia due to light rays such as ultraviolet rays (snow ophthalmia), discomfort while wearing hard contact lens

Dosage / Administration

Instill 1 to 3 drops at a time, 5 to 6 times daily.
